2023-2024 Point System

Community Service Points – (1 Per Event, Max 3) 3 points are **required** per angler for NATIONAL Championship: 2 points must be from volunteering at an event with the club, and 1 point is from your own choosing. **EMAIL us proof of Community Service for each CS event you attend.**

Example: Joe donated 1 fishing rod and reel combo for the Salvation Army drive (club related), picked up trash at the lake for 4 hours with the club (club related), Served food at food bank (your own choosing) = 3 Community Service points. Tournament Points:

All anglers will be fishing for team points, and the points each angler will receive will be based on the place in which they finish AND will be added to their team total WEIGHT. Your cumulative points will be totaled for the season to determine Angler of the Year (AOY).

Example:

1 st Place Joe Smith	200 Pts. + 10.25 lbs = 210.25 total pts	Jane Doe	200 Pts. + 10.25 lbs = 210.25 total pts
2 nd Place Tim Little	199 Pts. + 9.08 lbs = 208.08 total pts	Shaw Grigsby	199 Pts. + 9.08 lbs = 208.08 total pts
3 rd Place Bill Dance	198 Pts. + 5.75 lbs = 203.75 total pts	Hank Parker	198 Pts. + 5.75 lbs = 203.75 total pts
4 th Place Matt Shura	197 Pts. + 0.0 lbs = 197 total pts	Seth Starks	197 Pts. + 0.0 lbs = 197 total points
4 th Place Daniel Elias	197 Pts. + 0.0 lbs = 197 total pts	Eugene Livar	197 Pts. + 0.0 lbs = 197 total points
