Gathering Youth to Fish Since 1994

## 2021-2022 Point System

**Pre-Tournament Meetings – (1 Point Per Meeting)** If we can't meet in person, we will offer virtual meetings, at the virtual meeting we will give a code word, Juniors will need to submit the code word on the **tournament RSVP form** on our website to receive the point for the meeting.

**Community Service Points – (1 Per Event, Max 3)** 3 points required per angler for West Coat Championship: 2 points must be from volunteering at an event with the club, and 1 point is from your own choosing

Example: Joe donated 1 fishing rod and reel combo for Salvation Army drive (club related), picked up trash at the lake for 4 hours with the club (club related), Served food at food bank (your own choosing) = 3 Community Service points. Submit photo/signature of person who observed the community service

**NEW: BONUS Point – (1 Point Max Per Season)** When a parent/guardian volunteers at a Phoenix Junior Bassmasters/Arizona High School Bassmasters tournament they will earn 1 point towards their anglers' point total for the season. Only 1 bonus point can be earned per season. The parent/guardian will need to sign up prior to the tournament and check in with the Volunteer Coordinator at the tournament they have signed up for. The volunteer Coordinator will keep track of the volunteers for each tournament and will communicate volunteers to the Director. The point will then be added to their angler's season points.

\*Being a Volunteer Boat Captain does not count toward the Bonus Point.\*
